Functional Limitation

The feature (explained below) that displays the registered name on the second line of a display PT's LCD is supported by the following models only:
KX-NT543 / KX-NT546 / KX-NT553 / KX-NT556 / KX-NT560

If a name is registered in the Personal Speed Dialling Directory or System Speed Dialling Directory, it is displayed on the second line of a display PT's LCD when you make a call to that directory entry in one of the following ways:

    (1) When you make a trunk call using that directory.

    (2) When you use the REDIAL button to redial the number dialled in (1).

    (3) When you use the Outgoing Call Log to redial the number dialled in (1).

This limitation applies to the following manuals and chapters.
